About This Game

Get ready to exeCUTE!

Clawface is an intense, arcade-styled, twin-stick shooter where you play as an adorable robot equipped with crazy weapons and a giant face claw to fight endless waves of alien monsters!

With fast-paced combat, a dynamic level system that modifies the play field, and the ability to dual-wield weapons, Clawface challenges you to think fast and adapt to the situation. Use the claw to grab enemies and eat them, recovering health so you can last just a couple more seconds in the arena!

Key Features

- 11 gross baddies to fight against, each with distinct attack patterns!
 - Use a claw in your face to grab and eat enemies!
- Struggle to the top of the global leaderboard and challenge the best of the community!
- Use a robust built-in level editor to create infinite levels and share them on the Steam Workshop!
 - A tubular 80's aesthetic that will make you eat your shorts!
