Fun couch local coop game. More players the better. Great party game.. Paperbound is really good. If you enjoy super smash bros or mortal combat or just fighting games, then this is for you.. Paperbound is really good. If you enjoy super smash bros or mortal combat or just fighting games, then this is for you.. + well-designed graphics + up to 4 players + good gameplay + cool maps + A.I.. Fun couch local coop game. More players the better. Great party game.. Every so often, a nice young lady comes along to clean the crumbs out of the beard I'm growing because I can't stop playing this game.. + well-designed graphics + up to 4 players + good gameplay + cool maps + A.I.. Every so often, a nice young lady comes along to clean the crumbs out of the beard I'm growing because I can't stop playing this game.
